

## Senior Expert Corps – a Project of Swisscontact

**Promoting entrepreneurship through expertise – Imparting technical skills through volunteer work**

The retired professionals of our Senior Expert Corps (SEC) are qualified experts on site. Through their consulting services, they provide hands-on, cost-effective support towards sustainable development of companies and institutions.

### SEC Assignment in Uganda, 2018

Assignment No. 3271

<b>Location</b>	Aloet, Bukedea District, Uganda
<b>Client</b>	Nursery and Primary School
<b>Expert</b>	Annette Schifferli, Head Teacher
<b>Period</b>	10.02. - 03.03.2018

#### Client Profile

The client is running a community based nursery and primary school for around 300 pupils. As the number of pupils and therefore the revenue has dropped during the last years, the client is keen to improve its management and raise funds to cover the school's shortcoming. The client has approached the SEC for technical assistance in school development and fundraising.

#### Tasks

The expert has been given the following tasks:

- Developing a strategy for the school
- Implementing a new structure
- Writing a proposal
- Supporting the client in fundraising

#### Results

During the first week, Annette Schifferli guided the management team through a SWOT-Analysis of the school and the definition and prioritisation of objectives for the coming years.

During the second week she wrote a proposal for fundraising, implemented a new structure and trained the management team in school administration.

In the third week she accompanied the client to potential donors and found one, who is interested in financing a second block of five classrooms for this Nursery and Primary School.
