SEC Assignment in Nepal, 2024

Assignment No. 4200

Location Kathmandu, Nepal
Client Secondary School
Expert Urs Frey, Teacher Trainer
Period 24.02. - 19.03.2024

Client Profile

The client is a private Secondary School on the outskirts of Kathmandu, with around 300 students and 30 teachers, from nursery to grade 10. The principal is one of the owners of the school. The infrastructure of the school is comparably good, with a science lab, computer lab, and maths lab.

Tasks

- Control the implementation of our recommendations from the last visit
- Class visits with feedback to the teachers
- Several meetings with the principal, school management team, and school board
- 2 demonstration classes about the ear and the solar system were given

Results

The principal has promised to implement our suggestions at the beginning of the next school year.
