Promoting entrepreneurship through expertise – Imparting technical skills through volunteer work

The retired professionals of our Senior Expert Corps (SEC) are qualified experts on site. Through their consulting services, they provide hands-on, cost-effective support towards sustainable development of companies and institutions.

SEC Assignment in Nepal, 2017

Assignment No. 3140

Location	Tatopani Liping Sindhupalchok, Nepal
Client	Ropeway Nepal Pvt. Ltd..
Expert	Martin Liesch Civil engineer
Period	11th April - 30th April 2017

Client Profile

Ropeway and Cablecar Pvt. Ltd. is a small company which works in the field of design, development and commissioning of ropeways. The company is keen to learn Swiss technology for ropeways and has asked SEC for technical assistance.

Tasks

The expert has given the following tasks:

- Design of a material ropeway with material which was delivered from Switzerland.
- Introduction to new technologies for the construction of material ropeways.
- Supervision of civil work for the ropeway.

Results

The works for the ropeway are executed according to the proposals of the expert.

The management of Ropeway Nepal is very motivated to execute material ropeways.
